

## **Infection control guidelines**

**While diving with us and staying on Ishigaki island, please consider the following guidelines**

- Take basic precautions such as social distancing, washing your hand frequently and observe cough etiquette.
- While staying on Ishigaki island, avoid going to places where people gather.
- Wear a face mask when going out.
- Cancel your dive immediately if you have fever, cough or other symptoms that could be COVID-19. Cancellation is free of charge.
- Customers are required to wear a face mask inside the pick-up car and on the way to the boat (even if coming by rental car, you must bring a mask to wear while going to the boat).
- You can reduce the risk of infection considerably by coming by rental car. Free parking is available at the shop.
- Please, wear a face mask if you go inside the office.
- If possible, bring your own drink (no alcohol) or water bottle to the boat. There will be cold tea available on the boat but you need to serve yourself.
- When possible, reduce the shared things you touch.
- Consider bringing your own alcohol disinfectant if possible.
- Do not touch other people's equipment unless necessary.
- We will not shake hands or hug in order to reduce the amount of contact.

***Thank you for understanding***

## Request for cooperation to prevent spread of COVID-19

1. Regarding the prevention of COVID-19, please, confirm that the following applies and check the  with "✓".

①  Currently, I am not infected with COVID-19 or had close contact with an infected person.
